

You're invited to join Honeywell's new [Technical Collaboration](#) site designed to deliver direct communications to our Air Transport & Regional customers. The site offers customers the ability to access up-to-date information on:

- Key programs and activities
- Honeywell products and services
- Forums to address field technical issues
- Program updates
- Honeywell communications
- Operators conferences
- Discussion boards
- Status on service related difficulties

To access technical publications, ordering spare parts or any other services, customers will continue to use the MyAerospace portal at <https://portal.honeywell.com/wps/portal/aero>. For support on individual business issues, please contact your Customer Core Team or primary Honeywell contact.

To request a Honeywell ID:

Register online at <https://www51.honeywell.com/cwa/welcomeUserRegister.do>. Customers will receive an e-mail confirmation that will activate your Honeywell ID.

**Important note:** After the initial sign in with your new Honeywell ID and password, customers will receive an "*error: access denied*" message. Click the "Request Access" link at the bottom of the message to be added to the site membership roster. Customers will receive an automated e-mail response when final access has been granted.
