

engage safety

Improving situational awareness.

When you're in the air, there's no such thing as being too safe. Products such as Primus Epic® and Primus Apex™ integrated cockpits, EGPWS, Integrated Primary Flight Display (IPFD), and Runway Awareness Advisory System (RAAS) use the most advanced technology to provide vital information and increase situational awareness in the air and on the ground. Just a few examples of our commitment to deliver products and services to improve our customers' flying experience. Looking to fly safer? *Engage Honeywell.*
