Top 100 Technologies for 2007—R&D Magazine

## Turn any condition into severe clear.

Dark of night or gloom of day, regardless of the weather, Honeywell's Integrated Primary Flight Display (IPFD) makes flying in any condition easier and safer.

Along with our Primus Epic® and Primus Apex™ integrated cockpits, EGPWS, and Runway Awareness Advisory System (RAAS), our award-winning\* IPFD is just another example of how Honeywell increases situational awareness in the air and on the ground. Looking to fly safer? *Engage Honeywell.*
